

The parking lot signage is confusing, so here are some

PARKING TIPS!

- **Allow extra time for parking when coming to the clinic**
- **DO NOT park in any spot that uses the word "tenant" or "reserved" on the sign, or spots that have the name of a business on them**
- **OK to park in spots:**
 - **WITHOUT any signage**
 - **Marked CUSTOMER PARKING (with no business name)**
 - **With 15-minute or 45-minute time limits (even though you'll be here longer than the sign says)**
- **San Pablo Ave has free 90-min parking**
- **Other transportation options:**
 - **There are bike racks on the middle aisle**
 - **AC Transit lines 72 and 18 stop in front of the clinic on San Pablo Ave, line 72 also connects to BART**
