

SYMPTOM SCREENING LIST

(WHEN TO STAY HOME)

IF IN THE LAST 72 HOURS YOU HAVE HAD:

- Fever and/or chills,
- Sudden loss of smell / taste,
- New and unexplained:
 - cough, sore throat, sneezing, or nasal congestion or discharge;
 - nausea, vomiting, or diarrhea;
 - shortness of breath;
 - rash;
- **OR** close contact with anyone having the above symptoms without wearing a mask

IF IN THE LAST WEEK YOU HAVE HAD:

- a positive COVID-19 test,
- contact with anyone with COVID-19 while either of you were not wearing masks,
- travel outside of the state (in the last 5 days)

By receiving treatment at Sarana Community Acupuncture, you are agreeing to abide by clinic policies and Community Guidelines. You further acknowledge that risk of COVID-19 transmission always exists in indoor shared spaces.
